

ADDENDUM No. 3
LAUDERDALE-BY-THE-SEA RFP 16-09-01
CONTINUING PROFESSIONAL SERVICES

We have received the following questions, which are reprinted below with our responses. Note: some questions have been restated from their original form.

- 1. Do subcontractors need to be added to services or is the Town going to provide a pool of services**

On RFQ Form 1 you may provide any subcontractors that you have propose to engage, otherwise, on a specific project you can use other contractors that have continuing services contracts with us, or if specialized services are required, you may propose a certain contractor at that time.

- 2. Should proposal be submitted with a complete team which includes engineers and landscaping?**

It is not necessary to submit a team

- 3. Item 4 on page 15 request work performed within the past ten years for governmental entities, are we requesting a list of all projects performed, or representative projects showing experience and capabilities to perform the work requested**

If the company does lots of governmental work, a list of representative projects is acceptable
